machine

Gaggia Brera

RI9833

Effortless bean-to-cup espresso maker

Compact, modern design and simple to use

A compact bean-to-cup espresso maker in a stylish, modern design, Gaggia Brera is simple to use and allows easy access to the water tank and coffee ground waste via the front of the machine.

Features

- Ceramic grinder retains the purity of the coffee aroma
- Brew a different blend without changing the beans.
- Programme the dispensing buttons on your control panel
- Removable brewing unit for easy cleaning and maintenance
- Automatically switches to standby after one hour
- Select the amount of coffee beans to be ground

PHILIPS
sense and simplicity

Automatic espresso machine
Gaggia Brera

RI9833/70

Highlights

Durable ceramic grinder

Durable ceramic grinder retains the purity of the coffee aroma, and can be adjusted to grind as coarse or as fine as you wish.

Ground coffee compartment

Variety is still an option; using the ground coffee compartment you can brew a different blend without changing the beans.

Programmable dispensing

Programme the dispensing buttons on your electronic control panel to suit your own personal coffee taste.

Removable brewing unit

Removable brewing unit for easy cleaning and maintenance.

Standby mode

Automatically switches to standby after one hour, then uses less than one kw per hour when in standby mode.

Strength selector

Select the amount of coffee beans to be ground for your espresso.
